TrueCommerce™

Mirakl Integration Details

Fill out this form, save it, and return it to your TrueCommerce representative.

Define Scope

Which of the following tasks do you intend to have configured with this integration? Select all that apply.

☐ Order Sync

☐ Order Acceptance

☐ Update Fulfillment Information

☐ Sync Inventory Quantities

State of Order

Select below the state of your orders that you would like to pull through the integration. Select all that apply. Our default (per Mirakl's suggestion) is 'Waiting Acceptance.'

☐ WAITING ACCEPTANCE

☐ SHIPPING

☐ TO COLLECT

☐ REFUSED

☐ CANCELED

Mirakl Connection

To establish your connection, provide the appropriate credentials. The Shop API Key can be generated under 'My User Settings' > API Key. The Shop ID is located on your shop dashboard and appears at the top of the page after the shop name.
